These resource books for teachers provide strategies and tools to help your students get the most out of each vocabulary lesson. Divided into easy-to-navigate sections rather than holistic lessons (e.g. answer key, lesson review, lesson review answers), the first portion provides the teacher with the latest in vocabulary research, as well as strategies and techniques for teaching a sample lesson. The remainder of each book is divided into sections for the student book answer key, lesson review exercises (which may be used as extension/review/alternatives), lesson review answer key, tests, the test answer key, and a word list on the inside back cover.

This answer key accompanies the sold-separately Wordly Wise 3000, Book 6, 3rd Edition. Answers for each lesson are included; passages are given full-sentence answers and puzzle/hidden message exercises are reproduced with the correct answers filled in. Paperback.
