and 4-stroke models, includes jet drives.

This book is based upon the operating system of the company, Added Value, founded by the author, and now one of the world's largest marketing and branding consultancies. Two-thirds of the value of most companies is based on the intangible value of businesses including reputation, goodwill and know how. It is by marketing that reputation can be created and enhanced thus unlocking brand growth. With the use of many examples and case studies the author shows how the five I's process - Insight, Ideas, Innovation, Impact and

Investment Return - can be used to create top-line demand-led growth and the tools and techniques available to achieve this. This is a unique approach with proven success.

In this volume, which contains six suites and seven supplementary pieces for intermediate to advanced level pianists, Judith Schneider has provided detailed biographical and historical information about the pieces, as well as suggestions to achieve a proper interpretation of these works. Bach's table of ornaments is also discussed. This volume beautifully prepares students to perform Bach's more advanced English Suites.
