Zelda Fitzgerald's collected writings (including Save Me the Waltz), edited by Matthew J. Bruccoli, were published in 1991. New York Times literary critic Michiko Kakutani wrote, "That the novel was written in two months is amazing. That for all its flaws it still manages to charm, amuse and move the reader is even more remarkable.

This book of her writings allows her to finally take her own place in the fiction world. Her novel, *Save Me the Waltz*, is an incredible book in which language becomes surrealistic art. There are two sides to every story, and it is interesting to hear Zelda's interpretation of her life with Fitzgerald.

Fitzgerald has long been an American cultural icon. Born in Montgomery, Alabama, this southern belle turned flapper was talented in dance, painting, and writing but lived in the shadow of her husband F. Scott Fitzgerald's success. This meticulously edited collection includes Zelda's only published novel, *Save Me the Waltz*, an autobiographical account of the Fitzgeralds' adventures in Paris and on the Riviera; her celebrated farce, *Scandalabra*; eleven short stories; twelve articles; and a selection of letters to her husband, written over the span of their marriage, that reveals the couple's loving and turbulent relationship. The *Collected Writings* affirms Zelda's place as a writer and as a symbol of the Lost Generations as she struggled to define herself through her art.

The first comprehensive collection of writings by Zelda Fitzgerald features her novel "Save Me the Waltz," other semi-autobiographical stories and articles, a play, and a selection of her letters

Zelda Fitzgerald, along with her husband F. Scott Fitzgerald, is remembered above all else as a personification of the style and glamour of the roaring twenties - an age of carefree affluence such as the world has not seen since. But along with the wealth and parties came a troubled mind, at a time when a woman exploiting her freedom of expression was likely to attract accusations of insanity. After 1934 Zelda spent most of her life in a mental institution; outliving her husband by few years, she died in a fire as she was awaiting electroconvulsive therapy in a sanatorium. Zelda's story has often been told by

## Bookmark File PDF Zelda Fitzgerald The Collected Writings

detractors, who would cast her as a parasite in the marriage - most famously, Ernest Hemingway accused her of taking pleasure in blunting her husband's genius; when she wrote her autobiographical novel, Fitzgerald himself complained she had used his material. But was this fair, when Fitzgerald's novels were based on their life together? Sally Cline's biography, first published in 2003, makes use of letters, journals, and doctor's records to detail the development of their marriage, and to show the collusion between husband and doctors in a misdirected attempt to 'cure' Zelda's illness. Their prescription - no dancing, no painting, and above all, no writing - left her creative urges with no outlet, and was bound to make matters worse for a woman who thrived on the expression of allure and wealth.

"Pure and lovely...to read Zelda's letters is to fall in love with her." —The Washington Post Edited by renowned Jackson R. Bryer and Cathy W. Barks, with an introduction by Scott and Zelda Fitzgerald's granddaughter, Eleanor Lanahan, this compilation of over three hundred letters tells the couple's epic love story in their own words. Scott and Zelda Fitzgerald's devotion to each other endured for more than twenty-two years, through the highs and lows of his literary success and alcoholism, and her mental illness. In *Dear Scott, Dearest Zelda*, over 300 of their collected love letters show why theirs has long been heralded as one of the greatest love stories of the 20th century. Edited by renowned Fitzgerald scholars Jackson R. Bryer and Cathy W. Barks, with an

introduction by Scott and Zelda's granddaughter, Eleanor Lanahan, this is a welcome addition to the Fitzgerald literary canon.

“Profound, overwhelmingly moving . . . a richly complex love story.” — New York Times Acclaimed biographer Nancy Milford brings to life the tormented, elusive personality of Zelda Sayre and clarifies as never before Zelda’s relationship with her husband F. Scott Fitzgerald—tracing the inner disintegration of a gifted, despairing woman, torn by the clash between her husband’s career and her own talent. Zelda Sayre’s stormy life spanned from notoriety as a spirited Southern beauty to success as a gifted novelist and international celebrity at the side of her husband, F. Scott Fitzgerald. Zelda and Fitzgerald were one of the most visible couples of the Jazz Age, inhabiting and creating around them a world of excitement, romance, art, and promise. Yet their tumultuous relationship precipitated a descent into depression and mental instability for Zelda, leaving her to spend the final twenty years of her life in hospital care, until a fire at a sanitarium claimed her life. Incorporating years of exhaustive research and interviews, Milford illuminates Zelda’s nuanced and elusive personality, giving character to both her artistic vibrancy and to her catastrophic collapse.

something real and true. We have never been what we seemed. When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen years old and he is a young army lieutenant stationed in Alabama. Before long, the "ungettable" Zelda has fallen for him despite his unsuitability: Scott isn't wealthy or prominent or even a Southerner, and keeps insisting, absurdly, that his writing will bring him both fortune and fame. Her father is deeply unimpressed. But after Scott sells his first novel, *This Side of Paradise*, to Scribner's, Zelda optimistically boards a train north, to marry him in the vestry of St. Patrick's Cathedral and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined attention and success and celebrity that will make Scott and Zelda legends in their own time. Everyone wants to meet the dashing young author of the scandalous novel—and his witty, perhaps even more scandalous wife. Zelda bobs her hair, adopts daring new fashions, and revels in this wild new world. Each place they go becomes a playground: New York City, Long Island, Hollywood, Paris, and the French Riviera—where they join the endless party of the glamorous, sometimes doomed Lost Generation that includes Ernest Hemingway, Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible. Troubles, at first, seem to fade like morning mist. But not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous—sometimes infamous—husband? How can she forge her own identity while fighting her demons and Scott's, too? With brilliant insight and imagination, Therese Anne Fowler's New York Times bestseller brings us Zelda's

# Bookmark File PDF Zelda Fitzgerald The Collected Writings

irresistible story as she herself might have told it.

A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of *The Great Gatsby* who is more widely read today than ever. *I'd Die For You* is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in *I'd Die For You* as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald's lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald's career to the last. They come from various sources, from libraries to private collections, including those of Fitzgerald's family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. "I'd Die For You," the collection's title story, is drawn from Fitzgerald's stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he

# Bookmark File PDF Zelda Fitzgerald The Collected Writings

would soon be living. Most of the stories printed here come from this time period, during the middle and late 1930s, though the collection spans Fitzgerald's career from 1920 to the end of his life. The book is subtitled *And Other Lost Stories* in recognition of an absence until now. Some of the eighteen stories were physically lost, coming to light only in the past few years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that, and good things can wait patiently in libraries for many centuries sometimes. *I'd Die For You And Other Lost Stories* echoes as well the nostalgia and elegy in Gertrude Stein's famous phrase "a lost generation," that generation for whom Fitzgerald was a leading figure. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories provide new insight into the bold and uncompromising arc of Fitzgerald's career. *I'd Die For You* is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.

Drawn from previously undisclosed information, a fascinating new perspective into the tumultuous marriage of Scott and Zelda Fitzgerald, prominent figures of the literary and theatrical worlds, details their complex relationship, which eventually resulted in his becoming an incurable alcoholic and her descent into madness. Reader's Guide included.
